

SUMMARY

Marketing manager with 7+ years' experience across hospitality, disability services, finance and B2B wholesale. Managed brand and local marketing across 28 restaurants and a \$300,000 annual budget. Experience combines campaign planning and execution with paid advertising, CRM automation, ecommerce and website development.

Core Competencies

- **Multi-site marketing:** Brand strategy, store launches, franchisee support and local area marketing campaigns across OOH, print, press, radio, local council, shopping centre displays and events.
- **Digital advertising:** Meta and Google ads, audience targeting, keyword targeting and geo-targeting, A/B testing, CPA optimisation, and conversion tracking using Meta Pixel and Conversions API.
- **CRM and automation:** Customer databases, EDMs and workflows using HubSpot, Dynamics 365, Pipedrive & Mailchimp.
- **CMS management:** WordPress, Wix and Shopify website development, ecommerce migration from Shopify to WooCommerce, and SEO using Semrush and Yoast.
- **ERP management:** Inventory, loyalty programs and pricing using Odoo and Gecko.
- **Branding and content production:** Packaging, in-store materials, advertising, PR and video using Adobe Creative Suite.
- **Data analysis and reporting:** Power BI, Excel and SQL; reports, visualisations and insights for management.

PROFESSIONAL EXPERIENCE

Marketing Manager | Bami Vietnamese, Adelaide

 Jun 2023 - Sep 2026

Reported to the CEO, managing brand strategy, promotions and franchise marketing across 28 store in SA and VIC.

- **Budget management:** Managed a \$300,000 annual budget for brand and local area marketing, supporting app downloads, store launches and seasonal promotions.
- **Meta Ads:** Managed ongoing paid social campaigns, covering store-level geo-targeting, A/B testing and CPA optimisation. Used Meta Pixel and Conversions API for conversion tracking.
- **Google Ads:** Managed SEM and Display campaigns, including keyword research with Semrush, keyword targeting, match-type selection and negative-keyword management.
- **Mobile app:** Managed the \$80,000 iOS and Android ordering app project with an IT team from Vietnam, overseeing UI/UX, vendor outsourcing and business analysis. Migrated 5,000+ existing users and grew the user base to 12,000+.
- **POS and ordering:** Led migration from SwiftPOS to Abacus and Lightspeed. Integrated Uber Eats, Menulog and DoorDash orders through Doshii, and designed kiosk and table-ordering interfaces.
- **CRM and EDM:** Built automated workflows in HubSpot and managed email campaigns for 22,000+ customers.
- **Local area marketing:** Coordinated shopping centres, agencies and media partners on OOH, print, radio and digital campaigns. Led the rollout of packaging, uniforms and in-store materials.

Marketing Manager | Mobo Group, Adelaide

 Sep 2021 - Jun 2023

Reported to the Board of Directors and CEO, leading Mobo's Marketing and Communications Plan to support strategic and operational objectives across 6 sites.

- **Campaign planning:** Developed quarterly advertising, PR, event and expo plans, coordinating external agencies to promote Disability Employment Services in local communities.
- **Brand management:** Oversaw brand consistency across digital and printed materials, including collateral development, distribution and effectiveness.
- **Content and communications:** Managed the website, social media and communications calendar. Produced videos, case studies and promotional content for internal and external audiences.
- **CRM:** Managed EDM campaigns and automatic workflows using Dynamics 365.
- **Research and reporting:** Conducted market and brand-awareness research, monitored disability-sector developments and shared relevant findings with the CEO and internal stakeholders.

Marketing Specialist | Barclay Pearce Capital, Sydney

 Jun 2020 - Sep 2021

Reported to the CMO, delivering investor relations and marketing campaigns for the firm and its ASX-listed clients.

- **Digital platforms:** Developed a website for Barclay Pearce Times and designed websites for ASX-listed clients in mining, biotech, consumer services and technology.
- **Paid media and search:** Executed digital campaigns for the firm and its clients, alongside SEO and SEM campaigns.
- **Content production:** Produced 26 content items across podcast episodes, videos and digital templates.
- **CRM and distribution:** Maintained database accuracy and managed EDM distribution through HubSpot.

Marketing Coordinator | Mobile Mart, Sydney

 Mar 2019 - May 2020

Reported to the Sales Manager, coordinating ecommerce development, promotional campaigns and marketing automation for more than 2,000 ANZ wholesale and retail customers.

- **Ecommerce development:** Led the migration and development of the online store from Shopify to WooCommerce.
- **Promotional campaigns:** Generated \$80,000 in online sales through paid and owned channels.
- **SEO and SEM:** Increased website visitors by 230% and achieved consistent search positions of three to five for targeted keywords. Improved SEO visibility by 25% using Yoast and Semrush.
